Retreats for Women
Seeking Spiritual Renewal

Retreats for Women in Ministry
Woodstock, Illinois 60098

Atrium

Your Retreat Experience

We are your "home away from home." You or up to three women who register with you are the only retreat guests at the time of your stay. Rev. Magrini is your host and overnight for all retreats. Select either two days/one night or three days/two nights. Arrival is 1pm. Departure is 2pm.

Option I: Choose the Directed Retreat

Rev. Magrini is your spiritual companion with a directed retreat. The retreat experience is based on the *Unhurried Sabbath* program designed by her specifically for women in ministry and women searching for spiritual nourishment.

Together you set times for meeting, usually two sessions and one meal depending on your length of stay. You will have a generous amount of free time. Through the process of release, discovery, renewal, and celebration you will find this retreat soothing to your weary soul.

Option II: Choose the Private Retreat

How you spend time is up to you. Before arrival you are encouraged to reflect on ways in which you might seek God's guidance, presence, explore a fuller prayer life, or any need you have with God. Consider writing in a journal, perusing the expansive library, walking outdoors, or basking in fireplace warmth.

Woodland Spiritual Retreats provides a sacred place and time for restoration. You are a treasured woman whom God lovingly blesses with wisdom and grace.

This is your time to delve into the rest and spiritual care that will most nourish centering with God and yourself. On the six wooded acres there are five native gardens, wooded walking trails, an expansive house with windows looking into the trees and woods, two patios and a full deck. Peace awaits you in the library, the loft sitting room, Great Room, atrium, family room and gourmet kitchen.

The *Unhurried Sabbath* directed retreat is specially designed by Rev. Magrini for women in ministry, broadly understood as putting spirituality and faith into practice by serving others. Such roles could be: clergywomen, seminary students or professors; volunteers or staff in congregational, community, or non-profit settings; chaplains, teachers, social workers, caregivers, clergy spouses and more.

"Cheri's gentle guidance shook me loose from the difficult places where I felt stuck. She gave me space to look at my life with fresh eyes again."

Reverend Kathy Dale McNair

Serving in United Methodist lay and clergy ministry since 1989, I have learned to listen to my inner spirit's call for renewal. As a Minnesota farm girl turned city-dweller, immersing myself once again in nature brings much needed peace in heart and soul amidst family and life-long ministry. May you find Woodland Spiritual Retreats to be a balm for your spirit. I delight in welcoming you to this Sabbath retreat.

*With joy
